4) The existing establishment is intended to manage only 120 prisoners. It is reported that there are now 6 prisoners with only 6 warders deal with them. Increase of establishment seems to be necessary.

5) The present proposal is to have 1 Deputy Jailor on Rs: 20-2-40 & 10 Chief Warders on Rs: 20-1-25 & 120 warders instead of 6.

6) It is a point for orders whether the lock-up may be converted into a Sub-jail with the addl establishment proposed. If approved, it is proposed.

I am not yet convinced of the necessity of continuing the district work up and subsidiary jail. The number of convicts is small. There is a large number of industrial prisoners from whom no labour can be extracted. It is not to keep in the district jail prisoners for a term of one year does not seem much likely to be. These convicts are deprived of useful labour which may be in industrial acceptation. The same for the central jail. It is not to be. The P. M. may be assured that the proposal has not been made half for and if the number of prisoners has increased an application may be made for the necessity of the establishment.

Final Note by the Third Member of Council.

Subject:-

Additional establishment required for the District Lock-up at

The Inspector General of Prisons in his letter No. 969/75-19 dated 26th April 1919 represented that the number of prisoners in the District Lock-up, Shimoga, was on the increase, consequent on the establishment of Special Magistrates' Courts at Shimoga and requested sanction to the conversion of the Lock-up into a Subsidiary Jail.

2. The proposal did not commend itself to Government as the number of convicted persons was small and no provision was intended to be made for teaching them any useful art or industry. The Inspector General of Prisons was informed accordingly and was requested to send up proposals for strengthening the establishment if the number of prisoners had increased.

3. The Inspector General has accordingly submitted the following proposals for sanction of Government:-

(i) Appointment of a Chief Warder on Rs. 40/- a month.

(ii) Increasing the allowance of the District Lock-up Officer from Rs. 30/- to Rs. 50/- a month.

(iii) Continuance of the 6 temporary warders on Rs. 10/- a month sanctioned for the Lock-up for a period of six months in Government Order No, G. 10880-1/Pris.74-18-5 dated 14th November 1919.

The proposals have been agreed to by the Dewan and the

Members of Council with a slight modification proposed by me as regards the pay of the Chief Warder, which is fixed at Rs:35/- *approval* a month. A draft Government Order sanctioning the same is herewith submitted and it may be graciously approved.

SIR,

In forwarding herewith a copy of letter No. J.C. 645 of 18 19 dated 7/10th April 1919 together with that of its enclosed received from the District Magistrate, Shimoga, I have the honor to request that sanction of Government may kindly be obtained and communicated to me for the conversion of the District Lock-up at Shimoga, into a Subsidiary Jail as early as practicable. According to the statistics furnished in the enclosed letters, the admissions into the Lock-up have no doubt increased since the establishment of Special Magistrates' Courts in that place.

2. The present guarding establishment of the Lock-up - consists of:-

1. Head warder.
3. Warders, 1st grade.
3. Warders, 2nd grade.
1. Thoty.

The establishment now suggested by the Lock-up Officer is

1. Jailor.
1. Chief Warder.
2. Warders, 1st grade.
5. warders, 2nd grade.
5. Warders, 3rd grade.
1. Thoty.

3. As for accommodation, for the increased number of prisoners, the old Jail building is quite enough for the purpose. The repairs and improvements needed therefor will be taken on hand shortly by the D.P.W, as has been directed by Government in their Order No. J.1891. 4/Pris 61-15-6 dated 1st Decemr-- 1917.

Letter No. J. C. 645 of 18-19 dated 7/10th April 1919, from
the District Magistrate, Shimoga, to the Inspector-General of Prisons
in Mysore.

I have the honor to forward herewith in original letter No.
97 dated 3rd April 1919, received from the District Lock-up Officer
Shimoga, in the matter of converting the District Lock-up at Shimoga
into a Subsidiary Jail.

2. As may be observed from the statistics furnished by that --
officer, the number of prisoners in the District Lock-up has been --
on the increase consequent upon the establishment of Special Magis-
trates' Courts at Shimoga under the Scheme for the separation of --
judicial and Executive functions. The present establishment is ---
quite inadequate to cope with the heavy work at the Lock-up now.

3. It is very probable that the number of prisoners will con-
tinue to be the same, since every one of the Amildars has been ask-
ed not to entertain fresh complaints or receive Police charge sheets

4. I request therefore that you will be so good as to obtain --
the sanction of Government for the conversion of the District Lock-
up into a Subsidiary Jail as proposed by the District Lock-up Offi-

Inspector-General of Prisons.

26-4-19.

Letter No. 197 dated 3rd April 1919, from the District Lock-up Officer, Shimoga, to the District Magistrate, Shimoga.

In submitting herewith a proposition statement in duplicate for increasing the Establishment of the District Lock-up, Shimoga, I have the honor to request that you will be pleased to obtain orders of Government to convert this Lock-up into a subsidiary Jail for the following reasons:-

1. The average number of prisoners confined in this Lock-up has increased from 12 in 1917 to 46 in 1919; and at present there are 17 convicts, 40 undertrials, and 1 Civil prisoner, making 58 in all. The average number is steadily increasing every day as prisoners are concentrated here from all parts of the District on account of the two recently instituted Special Magistrates' Courts at Shimoga. The existing establishment, which was meant for dealing with about a dozen prisoners, is absolutely inadequate to cope with the work of guarding and maintaining discipline when nearly five times that number is concerned, of whom a good proportion are prisoners of a dangerous character, such as murderers, dacoits etc., who are undergoing trial in the court of the Sessions Judge.

2. As all prisoners sentenced to more than one month are sent away to Bangalore Central Jail, the convicts form a small proportion of the total population of the Lock-up, and are barely sufficient to meet the demands of labour in the kitchen. If the Lock-up is converted into a Sub-Jail with authority to retain all prisoners sentenced to less than one year, to whom the Remission System does not apply, there will be an adequate supply of labour at least to create a garden in the Lock-up premises and grow vegetables not only for consumption in the Lock-up but also for sale; and thus convict labour may be made productive.

3. The accommodation at our disposal is quite ample; and if a small sum of money is spent on petty repairs, the barracks and other buildings that now remain may be rescued from impending ruin, which will otherwise be inevitable.

4. You have recently, in your No. J.C. 458 dated 28th March

1919, cancelled the contract for supply of diet articles etc, as the contractor's rates were exorbitant; and this has again placed me in greater difficulties, as I have to rely on an ill-paid and over-worked Daffedar to do the duties of buyer and store-keeper, in addition to his other duties, an arrangement which is neither efficient nor desirable.

A reference to the enclosed tabular statement will show that the population of the Lock-up, the expenditure, and consequently the work in the Lock-up has increased enormously of late; but the establishment remains the same. There are only 6 warders; and only three of them are on duty at any given time, the other 3 being relievers. This number is quite insufficient to guard and manage 58 prisoners.

Therefore I request that a man of the rank and status of Deputy Jailor, who has passed the Prisons Test and who has had some experience of Jail work may be appointed on Rs 30-2/1- 40, and a Chief-Warder on Rs 20- 1/1- 25. The number of warders may be increased from 6 to 12. The Jail manual would then be in force here in place of the Lock-up Manual.

In this connection, I may suggest that the 1st Assistant Jailor of the Mysore Jail, Mr. Narayana Rao who has passed the Prisons Test and who is a reliable official with some experience, may be secured here for the place of Jailor; and the present Daffedar, who is a willing worker but lacking in experience may be appointed Chief-Warder Jamadar on probation, his confirmation being subject to passing the Prisons Test and Clerk-ship Rules Examination.

SIR,

With reference to your letter No. G.557/Pris.74-10-2 dated 9th July 1919, calling for certain particulars in connect with the conversion of the District Lock-up at Shimoga into a Subsidiary Jail, I have the honor to forward herewith a copy of letter No. J.C.645 of 19-20 dated 11th September 1919 together with its enclosure, received ^{from} the District Magistrate, Shimoga, which furnishes information on various points raised by Government.

2. In this connection, I have to state that, in case the present District Lock-up is converted into a Subsidiary Jail, the officer in charge thereof should be designated and styled as "Superintendent" as in British Indian Jails. The appointment of a "toti" has been proposed by the District Magistrate for the new Subsidiary Jail. The creation of such a post is not advisable in consideration of the fact that the duties of a "toti" are to be done by convicts confined in the Jail as per Prison rules. I would therefore suggest the entertainment of an additional warder in place of a "toti"

I have the honor to be,

Letter No.J.C.645 of 19-20 dated 11th September 1919, from
T.E. Jeyaram Iyer, Esq, B.A; B.L; District Magistrate, Shimoga, to
Rajakarya Pravina Rao Bahadur, T.V. Arumugam Mudaliar, Esq, L.B; C.M
Inspector-General of Prisons, in Mysore.

With reference to your Memo No. 1438/75-19 dated 15th July
1919 calling for certain particulars in connection with the
conversion of the District Lock-up at Shimoga into a Subsidiary
Jail, I have the honor to state as follows:-

- (1) All convicts sentenced to undergo imprisonment for less than
one year, in whose case the remission system does not apply, may
be retained at Shimoga.
- (2) As the period of detention of convicts is short at present,
it is not possible to introduce industry of any kind and as such
no establishment is necessary for this purpose. The only possible
work that can be taken up in this connection is gardening, which
can be managed with the additional establishment now proposed.
- (3) The total number of prisoners admitted to the lock-up from
January ¹⁹¹⁹ ~~1919~~ to 30 June 1919 was 156. Of these, 62 were convicts
and 94 were undertrial prisoners.
- (4) The cost of ~~smex~~ sending a prisoner to the Bangalore Jail work
up to Rs 15-6-0 including the trainage paid to the escorting Police
constables. Notwithstanding the increase in the cost of establish-
ment now proposed, it will be less costly to retain all prisoners
at Shimoga.
- (5) Present establishment was sanctioned reducing the original
establishment sanctioned for the jail in view of the fact that the
average strength of prisoners was gradually decreasing and the
cost of establishment for guarding the prisoners was on the increa-
sing side G.O.No. ~~8021~~ 5/J.637 dated 8th November 1902).
- (6) The number of hands sanctioned in G.O.No.3233-4/Pris.20-18-2
dated 13th August 1919 for this lock-up is not in excess of that
sanctioned for the other district lock-ups, although it is believed
that the number of prisoners in this lock-up is in excess of that
in the other district lock-ups.
- (7) The following statement shows the daily average strength

of prisoners in the district lock-up, Shimoga, in the first eight months of the calendar years 1918-and 1919.

	<u>1918</u>	<u>1919</u>
January	9.69	37.83
February	14.26	46.98
March	14.32	48.04
April	17.36	41.72
May	15.39	32.13
June	16.05	23.47
July	25.42	27.91
August	17.64	45.22

3. It will be seen from this statement that the daily average in 1919 has generally been more than double that of 1918 and yet the strength of the staff remains the same.

3. The existing staff of one Head Warder, three first class warders, and three second class warders is thus inadequate considering the average daily strength of prisoners.

4. Further, the head warder is only an ordinary police dafedar and is not capable of preparing drafts or maintaining correct accounts or even to make fair copies of drafts prepared by the District Medical Officer. Not only are drafts prepared by this officer but very often they are faircopied by him. Much of his precious time which could more usefully be devoted to his professional work is spent in attending to the lock^{up} routine work for want of even one hand of ordinary abilities in the lock-up. It is therefore necessary to appoint a chief warder for this lock-up. It is necessary having regard to the large number of prisoners that are confined in the lock-up and to the heavy calls on one's time due to the preparation of the various accounts and the correspondence that the chief warder should be sufficiently literate and must have passed the Prisons examination and to attract men of the right sort, it is necessary to fix the pay of the appointment at not less than Rs 40 plus a local allowance of Rs 10.

5. To cope with the heavy work it is also necessary that instead of the three warders of the first grade and the three warders of the second grade, there should be four warders of the 1st grade on Rs 11 each and eight warders of the 2nd grade on Rs 10 each.

6. A staff consisting of one chief warder, one head warder, four 1st grade warders on Rs 11 each and eight 2nd grade warders on Rs 10 each would, in my opinion, be absolutely necessary even if persons sentenced to more than one month's imprisonment are not detained here.

7. I send herewith a proposition statement in duplicate and request that you may be so good as to commend it for the favourable consideration of Government and obtain their early sanction.

8. If the proposed establishment is sanctioned, the necessity for getting provisions through the agency of contractors is likely to disappear altogether and the lock-up can be managed much more economically than when contractors are employed. Further, the vegetables necessary for the use of the prisoners may be grown in the lock-up and savings effected on this direction also. The actual increase of expenditure would therefore be less than ~~that~~ shown in the proposition statement.

Letter No. J. C. 547 of 1919-20, dated the 17th January 1920, from the District Magistrate, Shimoga, to the Inspector-General of Prisons in Mysore, Bangalore.

I have the honor to enclose herewith in original letter No. 272 dated the 5th December 1919 from the District Lock-up Officer, Shimoga regarding the increased Establishment needed for the Lock-up. He proposes:-

(i) That the additional Establishment of six warders sanctioned by Government in their order No. G. 10880-1/ Pris. 74-18-5 dated 14th November 1919 may be made permanent.

(ii) That a Chief Warder who has qualified himself by passing the Prisons Examination be appointed on a pay of Rs. 40/- per mensem as at Kolar Gold Fields.

2. I am not prepared to recommend that the Warder Establishment which was sanctioned so recently should be made permanent. The question may wait and may be taken up for consideration at the end of a year or two.

In the meanwhile the strength of the Establishment will be graduated according to the needs of the Lock-up from time to time subject to the maximum prescribed by Government.

As regards the need of a Chief Warder, I am in complete agreement with the proposal of the District Lock-up Officer. The existing Head Warder cannot render efficient aid to the Lock-up Officer at present owing to the large increase of work consequent on the increase in the Jail population.

I have noticed that the District Lock-up Officer has had to write out himself some of the registers and nearly all the letters that issue from the Lock-up office. Both for clerical work as well as the executive work of the lock-up the services of an official like the Chief Warder are absolutely necessary.

3. The third proposal of the District Lock-up Officer refers to his allowance for doing the duties of the Lock-up. The figures quoted by him are a sufficient indication of the increase of work in the Lock-up that has resulted from the concentration of magisterial work in Shimoga and there is great force in the contention that the allowance as now fixed is not an adequate remuneration for the trouble and work that the District Lock-up Officer is now called upon to face. The representation for an increase appears quite fair and reasonable. The allowance may in my opinion be fixed at Rs. 50/-.

4. I request that you will be so good as to view favourably the proposals made above and obtain the sanction of Government thereto.

Inspector-General of Prisons.

21st January 1920.

Letter No. 272 dated the 5th December 1919, from the
District Lock-up Officer, Shimoga, to the District Magistrate,
Shimoga.

With reference to your No. D. Dis 112/ 19-20 intimating that my proposal to convert this lock-up into a Sub Jail did not commend itself to Government and that if the number of prisoners has increased, proposals may be sent for increase of Establishment, I have the honor to state that the temporary staff of six additional warders recently sanctioned for six months in G. O. No. 10880-1/ Pris 74-18-5 dated 14th November 1919 is adequate for the time being, and since the daily average number of prisoners is not likely to come down to its former proportions so long as there are two Special Magistrates' Courts in Shimoga, I request that this temporary staff may be made permanent.

2. You are quite aware of the fact that for want of a well-paid upper subordinate, I am obliged to do all the English correspondence work and maintain the important registers myself; and that there is a detrimental to my Hospital work, as I have to spend a large portion of my mornings in the lock-up in doing work that a trained subordinate can do. Therefore I request that a man who has passed the Prisons-Test and who had had some experience of Jail work may kindly be appointed as Chief Warder of the lock-up on Rs. 40/- per mensem, as at Kolar Gold Fields. I may point out that there are two Special Magistrates' Courts and a Sessions Court in Shimoga as compared with only one Special Magistrates Court in Kolar Gold Fields, and as a consequence I have reason to believe that the work here is quite equal to, if not greater than, that in the Special Lock-up at the Kolar Gold Fields.

3. There is another matter which I would like to place before you; but I do it with considerable hesitation and diffidence

13 MAY 1920

Letter No. J. C. 645 of 18-19 dated 6th April 1920 from the District Magistrate, Shimoga, to the Inspector-General of Prisons in Mysore, Bangalore.

With reference to the correspondence ending with your memo No. 2233/75-19 forwarding copy of Government Order No. G. 10880-1/Pria. 74-18-5 dated the 14th November 1919 sanctioning the entertainment of six Warders temporarily for a period of six months on a pay of Rs. 10/- each per mensem for the District Lock-up at Shimoga, have the honor to state that the District Lock-up Officer, Shimoga, has proposed the present temporary establishment being made permanent on the ground that the average number of prisoners confined in the Lock-up during January, February, and March 1920 was 60.18, 48.94 and 48.97 respectively. He adds that the number of prisoners is not likely to decrease.

2. Out of the six temporary Warders sanctioned, three were entertained on 22nd November 1919 and three more on 17th December 1919 and their term of six months expires on 21st May 1920 and 16th June 1920 respectively.

3. I would recommend the retention of the services of these six Warders for a further period of one year from the dates from which their term of six months expires. The full establishment will not be entertained unless the number of prisoners in the Lock-up justifies it.

4. I request that you will be so good as to obtain the sanction of the Government to the proposal contained in paragraph 3 supra.

5. A copy of the District Lock-up Officer's letter referred to above is herein enclosed.

Docket No. 462 dated 2nd April 1920 from District Lock-up Officer, Shimoga, to the District Magistrate, Shimoga.

-----@#@#@#@-----

Has the honor to state that as per G. O. No. 10880-1/Pris. 74-18-5 dated 14th November 1919, sanctions the entertainment of six temporary Warders for six months, three warders were entertained on 22-11-19 and three more Warders on 17-12-19. Their terms thereof expire on 21-5-20 and 16-6-20 respectively. The number of Prisoners confined in this Lock-up still remains high, the daily averages for January, February and March, being 60.18, 48.94 and 48.97 respectively. Since the number of Prisoners is not likely to decrease, so long as there are two Special Magistrates Courts in Shimoga, it is requested that the six temporary Warders may be made permanent. Early orders may kindly be passed before the term of the Warders expires, as there will be a great deal of difficulty in getting new Warders, if those who are in service are disbanded.

Letter No. 510 dated the 22nd May 1920 from the District Lock-up Officer, Shimoga, to the District Magistrate, Shimoga District.

-----@@@@@-----

In continuation of this Office No. 462 dated 3rd April 20, requesting sanction for retaining the services of the six temporary warders, has the honor to state that the six months' term of three of the warders expired on the ~~after~~-noon of the 31st Instant; and hence their services were dispensed with. The term of the remaining three temporary warders expires on the 16th June 1920; and if no orders are received before that time they will also have to be disbanded; and considerable difficulty will be experienced in maintaining discipline in the Lock-up. It may further be pointed out that a great deal of difficulty was experienced in getting these recruits; and if they are driven to seek employment elsewhere, it may not be possible to find fresh recruits.

Therefore, it is requested that early sanction may kindly be accorded regarding the matter.

Government Order No. 6.10880-1 Prio. 74-18-0 dated 14th November 1919 sanctioning temporarily for a period of six months the entertainment of six warders in the District Lock up at Chinoga.

2. Correspondence ending with letter No. 646/75-19 dated 21st April 1920 from the Inspector General of Prisons requesting for reasons stated sanction to appoint a Chief Warder on Rs. 40/- per mensem, to increase the allowance of the District Medical Officer from Rs. 30/- to Rs. 50/- a month and to continue the temporary warder establishment sanctioned in the Government Order read above.

Order No. 8.4308-8/Prio. 74-18-11

Dated Bangalore, the 28th August 1920.

In view of the increase of Jail population owing to the concentration of criminal convicts in the Lock-up, an additional establishment is necessary and Government are accordingly pleased to sanction the appointment of a Chief Warder on Rs. 35/- per mensem and the continuance of the temporary warder establishment already entertained.

2. On account of the increased work and responsibility involved owing to the large number of prisoners that are being incarcerated in the Lock-up, the present allowance of Rs. 30/- per mensem to the District Medical Officer is increased to Rs. 50/- per mensem.

3. All these sanctions will have effect for a period of two years pending further orders at the end of that period.

4. The extra cost involved by the above arrangements will be met during the current year by re-appropriation from the provision made in the budget of the Prisons Department under 'Rations and Dietary charges', necessary provision being made for the purpose in the budget of the next year.
